Re: McMillion v. Prestige Motor Sales Inc.
EDNY Index No.: 17-CV-002596

Your Honor:

I represent plaintiff, Robert McMillion, in the above referenced matter.

I apologize to the Court for the lateness of this motion as well as for its contents but I conferred with opposing counsel today and we had both miscalendared the due date for our exhibits and deposition transcripts to be submitted.

Both sides join in requesting a one-day extension to submit our exhibits and transcripts.

Sincerely,
/s/
David M. Kasell
